

News Release

April 17, 2020

Our response to the nationwide state of emergency

Following the expansion of the state of emergency to the entire nation, Nippon Paint Automotive Coatings Co., Ltd. (Head Office: Hirakata City, Osaka, President: Shoichi Mure) will apply teleworking to not only designated areas earlier ^{*1} but all of our business sites in principle.

1. Our response

- In principle, teleworking shall be conducted at all of our business sites.
(Expanded to nationwide)
- Our production sites shall be continued to operate to produce and meet our customers' demand while thoroughly implementing precautionary measures for coronavirus.

2. Term

- We will continue the response above until Wednesday, May 6. However, we will respond flexibly in accordance with the government's policy.
